<p>COGCC Inspection Report Summary                      On Tuesday November 12, 2019 at approximately 0900, I, Inspector Adam Burns, conducted an Inspection at ARD C 6-3JI of Noble Energy Inc, at API #123-21834 in Weld County, Colorado.                      While there, I observed a plugged and abandoned location                      During this inspection the following possible compliance issues were observed:                      Trash on the north side of the Tank Battery needs to be removed for good housekeeping.                      Comply with Rule 603.f . &amp; corrective date of 12/4/2019                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.                      Continuing education inspections</p>	burnsa	11/12/2019
