<p>COGCC Inspection Report Summary                      On Thursday 11/7/19 at approximately 1100 hrs. I Inspector Robbie Revas,                      Conducted an on-site inspection at KP Kauffman:</p> <p style="text-align: center;">Jack a Mleynek #2 at API #05-123-08626 in                      Weld County Colorado.                      While there, I observed a producing wellsite.                      During this inspection the following possible compliance issue was observed:                      Rule 603.f Housekeeping: Debris/dead weeds around WH, PU and electric panel area. CA                      date 11/14/2019 see attached photos.                      Location is dry, weather is cloudy and overcast.                      A follow up on this site inspection needs to be conducted to ensure                      the                      Compliance issues have been corrected to comply with COGCC rules.                      Continuing education COGCC Inspection Report Summary.                      This is a summary of inspection report.</p>	revasr	11/07/2019
