Mr. W. A. E. Mitchell  
Box 1019  
Greeley, Colorado

Dear Mr. Mitchell:

We note in reports well No. 1, Jesse Newton, is being drilled by the Eisenhower Drilling Company. We cannot find where you filed notice of intention to drill this well. We also understand that you drilled the Force well in Section 15, 7 North, 54 West. Someone in your organization if apparently neglecting to file these reports with our office. Should we write to Mr. Eisenhower direct or can you file the reports?

Thanking you in advance for your prompt attention to this matter, I am,

Sincerely yours,

Annabel Hogsett  
Assistant Secretary
