Comment:

Photo illustrates Final Reclamation activities appear to have been performed and hydromulch has been applied to the location.

Note: There was little to no observed germination or establishment throughout the location. Based on aerial imagery, portions of this location may receive water from the lake during certain periods of the year.

Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct follow-up inspections prior to receiving said notice to ensure compliance with Rule 1004.
