Attention: Mr. Lynn Stewart

Gentlemen:

We have been contacted by Tipps Drilling Company concerning the filing of a Form-10, Producer's Certificate of Clearance and Authorization to Transport Oil or Gas from a Lease, for the Hendricks No. 1 well, Warrior Field, Logan County, Colorado.

The Form-10 previously filed by Tipps authorizes the transporting of oil from the lease and shows your company as being the transporter of gas.

The enclosed copy of this Form-10, along with this letter, will constitute authorization for you to purchase and transport gas from the subject well.

Very truly yours,
