COGCC Inspection Report Summary

revasr

11/19/2019

On Tuesday 11/19/2019 at approximately 1600 hrs. I, Inspector Robbie Revas, Conducted a follow up on-site inspection at Dechant-State #1 KP Kauffman, at API #05-123-07730 in Weld County Colorado.

While there, I observed a Shut in Well site.

During this inspection the following possible compliance issues appear to have been addressed:

No current MIT submitted, Well has only been shut in for approx 8 months and is within the limits of Rule 326.b

210.d Signs, Marker tanks: Produced water tank placard shows no volume of contents has been updated to show volume. See photo #2.

Location is dry, weather is clear.

No follow up on this site inspection needs to be conducted.

Compliance issues appear to have been corrected to comply with COGCC rules.

Continuing education COGCC Inspection Report Summary.

This is a summary of inspection report.
