Dear Mr. Louis:

As you will recall, I wrote you on March 7, 1961 and contacted you again on April 25, 1961, regarding a completion report and plugging record for the Sherwood Oil Co. #1 Federal well, SW SW, Section 33, T-6N, R-79W, Jackson County, Colorado.

Rules 306 and 307 of our Rules and Regulations provide that a well completion report and a plugging record be submitted on all wells within thirty days after completion of the work. As you know, neither form has been received on this well to date.

Your prompt attention to this matter will be greatly appreciated.

Very truly yours,
