COGCC Rules(check all that apply)

☐ 1101. Installation and Reclamation ☒ 1102. Operations, Maintenance, and Repair ☐ 1103. Abandonment

Comment: This well is currently shut in.

The off location flowline (wellhead line) runs approximately 1720' NE from the wellhead to battery. This off location flowline has not been registered with COGCC; Operator has not submitted COGCC Form 44.

Note: Operator has not registered any off location flowlines with COGCC; Corrective Action outlined may be applicable to additional wells operated by Piland Resources.

Corrective Action: Operator shall comply with the following COGCC rule:

1101.a. Off-Location Flowline Registration.

(1) An operator must register an off-location flowline constructed on or after May 1, 2018, by submitting a Flowline Report, Form 44, to the Director within 30 days after the flowline is placed into service. An off-location flowline in existence prior to May 1, 2018, must be registered by October 31, 2019. An off-location flowline registered as part of a produced water transfer system is not subject to this requirement.

Date: 10/31/2019
