Re: S. Coalmont #1
Plugging Bond

C/O Tom Kerr

Dear Mr. Kerr,

The purpose of this letter is to confirm in writing the substance of our Aug. 15, 1997 telephone conversation.

I wish to rescind and withdraw my application to assume position as operator of the S. Coalmont #1 well. I am not qualified in knowledge, experience or financial position to assume this obligation.

After review of my legal position in association with Mr. Doyle, who is present operator, I have determined that there is no obligation for me to assume position as operator.

Thank you for your interest, your phone call, your researching of the well records and noting of my position.

Sincerely,

A handwritten signature in cursive script that reads "Charles M. Fuller".

Charles M. Fuller
