

Inspection Photos

API: 05-043-05088

Operator: JAVERNICK OIL

Inspection Date: 12/4/2019

COLORADO

**Oil & Gas Conservation
Commission**

Department of Natural Resources

API: 05-043-05088 | Date: 12/4/2019

Inspection Photos

Photo 1. The erosion along the access road has not been repaired and stabilized. It appears rocks were placed at the erosion channel but are inadequate and not installed per good engineering practice. (Lat/Long:38.33276,-105.11330)
