Re: Commingling of Francis Parke and
Arthur Sindt Batteries (Fee Leases)
West Padroni Field
Logan County, Colorado

Dear Mr. Morrell:

This is to advise that production from the following
leases is being commingled effective October 10, 1982:

Francis Parke	1 Producing Well
(Sec. 6-9N-52W)	

Arthur Sindt	7 Producing Wells
(Sec. 31-10N-52W)	

Said production is being treated and sold through the
existing Arthur Sindt battery. Individual tests are
taken to allocate production to each lease. Attached
is a flowline map and consolidated tank battery
drawing.

The commingling of production on these two leases was
verbally agreed to by your Mr. Jim McKee in a telephone
conversation with ARCO's Glenn Doran on October 5,
1982.

If you have any questions, please let me know.

Very truly yours,

S. C. Rose
District Production Superintendent
