General Comment:**COGCC Inspection Report Summary**

On Friday 12/6/19 at approximately 1:00 PM, I, Inspector Scott Ramsey, conducted a routine inspection at Caerus B36X, at Location # 335354 in Garfield County, Colorado.

While there, I observed normal production operations. Found some stained gravel under oil load out valves. Shane with Caerus was on location and COGCC staff informed him of it. He was able to shovel it up immediately. It was half a 5 gallon bucket of gravel.

This is a summary of inspection report.
