<p>COGCC Inspection Report Summary                      On Thursday 11/25/19 at approximately 1200 I, Inspector Justin Medina conducted an onsite inspection at Champlin 367 Amoco 1 KPK 123-09072 in Weld County Colorado.                      While there, I observed temporarily abandoned well.                      During this inspection the following possible compliance issues were observed:                      No sign on wellhead see pic 1                      Install sign to comply with Rule 210.b. 6/16/19                      Weeds on location                      Comply with 603. f12/5/19                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      At time of inspection perception of soil may have been distorted due to weather conditions.                      This is a summary of inspection report.</p>	medinaj	11/25/2019
