General Comment:

On 11/19/2019, Catherine Roy conducted a reclamation and stormwater inspection. During this inspection the following compliance issues were observed:

-Conduct maintenance on equipment, cleanup stained material including proper disposal, and review self inspection processes by 8/15/2019. (corrective action date is backdated to document original corrective action date; this is the second corrective action for stained soils)

See below, and attached photos for additional detail.
