 VEGETATIVE COVER _____

Comment:

Appears the Operator has performed additional reclamation activities at the tank battery in response to the previous corrective action inspection. The well location is currently fallow. COGCC staff will conduct a follow up inspection at a future date to ensure compliance with vegetative standards. Refer to the attached inspection photos.

Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct follow up inspections prior to receiving said notice to ensure compliance with Rule 1004.

Corrective Action:
