Mr. deSalvo
Oil & Gas Commission
1313 Sherman St.
Rm. 620
Denver, Co. 80203

Dear Mr. deSalvo,

Per our conversation today, this is to request that the location for the Kannah Creek Grazing Association #1 well location for which we submitted an Application for Permit to Drill today, be moved directly south to 600 feet from the N boundary of the lease, as shown on the map, Exhibit 1.

Thank you for your assistance.

Karen French
Land Department
