Dear Sirs:

Re:05-075-9259

I have today received your notice regarding the Horsetail A well. Please correct the address you have sent these to now reflect the street address above. We had sent a change of address to your offices when we moved last year.

Let us take this opportunity to review this request which we believe was fulfilled sometime ago. Our former administrative assistant who I spoke with today did go in person to your offices and review the well file with Nicki of your offices and provided her with the requisite logs and forms some two years ago. However for your use I have enclosed a duplicate set of logs with this transmission. In the event you have any other questions please do not hesitate to contact us. We of course regret the inconvenience our change of address may have caused.

~~Yours Truly,~~
