Dear Mr. Rogers:

Trend Exploration is submitting for your records one copy each of the following logs:

#1 Federal 1-35

Induction Electric Log
Sonic Gamma Ray Log

#1 State 1-36

Induction Electric Log
Sonic Gamma Ray Log
Density Log
Micro Laterolog

We are still in the process of testing these two wells, and as soon as they are completed a notice of this fact will be submitted to your office. Your consideration for what may appear as delays will be appreciated.

Yours very truly,
