Attention: Mr. D. V. Rogers

Gentlemen:

Enclosed in duplicate is our Application to Drill the above referenced test well along with our check in the amount of \$75.00 covering permit fee. As soon as the elevation plat is received we shall furnish your office a copy.

Since the well is being drilled on a Federal Lease, we have, of course, filed a Federal Application for Permit to Drill with the U.S.G.S. We have also obtained a \$10,000 Federal Drilling Bond.

If you need any additional information, please advise. Thank you for your cooperation.

Yours very truly,
