Township 5N, Range 68W, Section 21: SESE  
Larmier County, Colorado, 6<sup>TH</sup> P.M. ("Lands")

To Surface Owner:

The Dunklee 1 well located on the Lands, plugged by an Operator in 1989, needs to be re-entered and re-plugged to ensure the integrity of the well bore. Prior to commencement of those operations, which we anticipate will commence within 30 – 90 days, the Colorado Oil and Gas Conservation Commission requires we inform the surface owner, and secure his/her agreement to the procedures. Please acknowledge receipt of this notice and your consent to the proposed operations by signing and dating this letter.

If you have any questions or concerns regarding this matter, please do not hesitate to contact me directly at 970-515-1693.

Thank you,
