General Comment:

On 1/6/2020 Catherine Roy conducted a reclamation and stormwater inspection. During this inspection the following compliance issues were observed:

-Weeds need to be controlled at the appropriate time and no later than 5/1/2020.

-Debris needs to be removed by 1/31/2020. Management of weeds (such as mowing) is needed to prevent debris.

See below, and attached photos for additional detail.

1003a. Waste and Debris removed? _____

Comment _____

Debris from dried kochia, up to 2.5 feet tall, observed within the project area.

Corrective Action _____

Remove and properly dispose of weed debris. Weeds need to be managed (ie mowed) during the growing season to prevent debris dispersal.
