 Inspection Document # 693502088
 Complaint Document # 200448567
 Nature of Complaint: Noise
 Field Inspector Actions:
 On 1-14-2020, I Randy Silver area field inspector was assigned a complaint received by COGCC staff in reference to Noise. The complainant Matt Donahue 13981 Cortez Ct Broomfield CO stated the issues were occurring outside of complainants home.
 On 1-15-2020, I attempted to make contact with the complainant who indicated that on 1-15-2020 experienced a low frequency noise. Complainant's home is approx... Two ½ miles to the South West of the Livingston well pad.
 I performed a complete site inspection of the oil and gas location and associated wells in the area. At time of inspection, I did not observe any unusual noise in or around location. Third party sound data has been submitted and after further review it appears at time of complaint, location complies with COGCC rules. Sound study data will be attached to compliant inspection document.
 At time of inspection, I spoke with fracing supervisor he stated at time of complaint they were fracing and no unusual activity was taking place. This is Liberty Oil Field Services Tier 4 Quiet fleet.
 Weather conditions: Clear and location dry
 See inspection document #693502088 per my inspection.
 No violation of COGCC rules were observed at the time of the inspection.
 All information reviewed and site inspection information were submitted to the COGCC for further review.
