<p>COGCC Inspection Report Summary</p> <p>On Wednesday 01/22/2020 at approximately 13:23, I, Inspector Erica Petrie, conducted a Field Inspection at N}BNN Western LLC, Razor 26 SWD, Location ID #440165 in Weld County, Colorado.</p> <p>While there, I observed Water Disposal Operations. Clear skies, windy.</p> <p>During this inspection the following possible compliance issues were observed:</p> <p>A release had occurred from a 6" pipe on the East side of the middle Tanks. The 6" pipe broke at a 90 and Produced Water released from it ran down the Southeast side of location to a ditch and then settled in the retention pond. Clean up crew was already on location at the time of my arrival. See attached photos.</p> <p>A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p> <p>Continuing Educational Inspections</p>	petrie	01/23/2020
