WELL ABANDONMENT REPORT

01177481

Date Received: 10/10/2003
Doc Num: 1177481

Submit original plus one copy. This form is to be submitted as an intent whenever a plugging is planned on a borehole. The approved intent shall be valid for six (6) months after the approval date; after that period a new intent will be required. After the plugging is complete, this form and one copy shall again be submitted along with third party cement verification as a subsequent report of the work as actually completed.
