General Comment:

On 1/28/2020, Reclamation Specialist Trujillo conducted an interim reclamation and stormwater inspection at CHEVRON USA INC # 16700's FAIRFIELD KITTI A location in Rio Blanco County, Colorado.

It was documented that Location appears to comport with 1003 rules, however snow cover on the surface and interim areas of the Location prevented reclamation specialist to conduct an accurate assessment of the Reclamation.

Refer to the "Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.
