General Comment:**COGCC Inspection Report Summary**

On Friday 1/31/20 at approximately 12:30 hours, I, Inspector Corey De Paolo, conducted an on-site inspection at LARAMIE ENERGY LLC Hawxhurst Ranch /24-09 Pad, Location #419498 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Tank capacity not labeled on methanol tank. See photo #0514 with a corrective action date of 3/31/20. Unused chemical tank by wellheads. See photo #0513 with a corrective action date of 3/2/20.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
