**General Comment:****COGCC Inspection Report Summary**

On Monday 2/3/20 at approximately 12:30 hours, I, Inspector Corey De Paolo, conducted an on-site inspection at LARAMIE ENERGY LLC Gunderson /12-14 Pad, Location #334547 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Tank label weathered. Tank capacity is no longer legible. See photo #0522 with a corrective action date of 4/3/20.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
