General Comment:**COGCC Inspection Report Summary**

On Friday 1/31/20 at approximately 11:30 hours, I, Inspector Corey De Paolo, conducted an on-site inspection at LARAMIE ENERGY LLC Kimball Creek /14-2D1-995, Location #420191 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Unused bumper spring, bull plugs and gauge at wellheads. See photo #0510 with a corrective action date of 2/15/20.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
