Inspection Photos
Operator Name: EQUITY OIL CO - 27900
Location ID: 398968

Photo 1: Photo taken from the west end of the Location, facing east. Previous inspections documented a leak from the casing. Operator appears to have conducted work at the well location. Surface disturbance observed at well site and on areas leading to well site used by vehicles for access. Reclamation activities will be required once leak has been controlled.

Photo 2: Photo taken from the Location, facing west. Photo shows soil stockpile excavated from around the well.
