General Comment:

On 1/30/2020, Reclamation Specialist Trujillo conducted a final reclamation and stormwater inspection at EQUITY OIL CO - 27900's MCGLAUGHLIN #64 location in Rio Blanco County, Colorado.

It was documented that Location is "AL". Database incorrect; well marker on Location indicates site was constructed/drilled. Previous inspections documented a leak at the well. Operator appears to have conducted work on the well resulting in additional surface disturbance.

Refer to the "Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

Comment:

Previous inspections documented a leak at the well. See inspection no. 679707139 for additional details. Operator appears to have conducted work on the site resulting in additional surface disturbance.

All surface disturbances will be required to be reclaimed; Every reasonable effort shall be made to complete reclamation before the next local growing season, no later than 4/30/2020

A followup inspection will be conducted to determine compliance with 1004 Rules.

Corrective Action:

Comply with 1004.a and conduct reclamation on disturbance areas.

Date **04/30/2020**
