Receipt of NOAV #402283885 - Tuesday, January 14, 2020
Mechanical Integrity Testing for the following wells:
Lost Creek #33 API: 05-123-23585
Lost Creek #5 API: 05-123-21441**

Dear Mr. Ferrin:

O'Brien Energy Resources Corp. (O'Brien) submits this letter to you as notification of receipt of NOAV #402283885 on Tuesday, January 14, 2020.

O'Brien is investigating the situation and will provide the required response prior to, but no later than, February 14, 2020. Per the NOAV, O'Brien's corrective actions will include:

- Submittal of a Form 21 for the Lost Creek #5
(MIT successfully conducted on 08/27/2019, Document#:402285411 Submitted: 01/14/2020)
- Submittal of a subsequent Form 6 plugging report for the Lost Creek #33
(Document#: 402288883 Form 6 Well Abandonment Report Approved on 01/21/2020)
- Perform an audit of its Mechanical Integrity Testing and MIT reporting for all its wells in Colorado.
- Submit a detailed report to COGCC which shows the following information for each of its wells:
 - (1.) API and Well name
 - (2.) SI or TA status by month, for each month the Well was SI or TA
 - (3.) Date of last MIT
 - (4.) Due date of next required MIT.
 - (5.) Date Operator has scheduled to resolve the delinquency
 - (6.) Whether Operator is current on the Form 4 TA Sundry submittal

Please contact me at 603-944-8253 or joeforma@obenergy.com should you have any questions or concerns.

Sincerely,

Joseph Forma
