P.O. Box 325
Sterling, Colorado

Dear Mr. Miers:

This is written with reference to your No. 2 Clifford Knudson well in Lot 1, Section 6, Township 8 North, Range 52 West.

One of our engineers checked the well site on May 25, 1961. The well has apparently been plugged. If this is the case, you should have obtained approval to plug prior to plugging.

Please submit a completion report and plugging record at your earliest convenience.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

D. V. Rogers, Deputy Director
