RE: Colorado Oil and Gas Lease No. 86/3170-S (Cancelled)  
State 12-12 #1, SW/4NW/4, Sec. 12-16S-48W, Cheyenne County

Gentlemen:

In an effort to expedite surface restoration of plugged wells, we have enclosed a form which will indicate to us if the site is ready for inspection. Please fill out this form completely, sign and return to the appraiser listed in the upper left corner. On receipt the site will be inspected. If acceptable it will be removed from our inventory, and the restoration bond will be released.

If a return inspection is necessary, it will be done on a six-month interval, and a fee will be charged.

If the surface is patented you must furnish a release from the surface owner.

Thank you for your cooperation.

Sincerely,

*Bobbie Mobley*
