Dear Director Robbins:

Confluence DJ LLC (Confluence) intends to permit, drill and operate the above referenced Codell formation Horizontal Well. As defined by Colorado Oil and Gas Conservation Commission (COGCC) Rule 318A.a.(4)D., Confluence proposes the following wellbore spacing unit:

**Description of the Wellbore Orientation and Wellbore Spacing Unit:** The proposed horizontal wellbore paths will run south to north. The Proposed Spacing Unit is as follows:

Well Name	Proposed Spacing Unit	Acreage
Willow 22-4-L	T1N R65W Section 22: E2W2, W2E2 & Section 15: E2W2, W2E2 & Section 10: E2SW, W2SE	±800

This letter hereby certifies that Confluence complied with Rule 318A.e.(5) on September 20, 2019 for the above referenced oil and gas well. All mineral interest owners were sent letters notifying them of the proposed spacing unit. No disputes were received.

Confluence requests the Director approve the proposed wellbore spacing unit.

Sincerely,

Angela Mallon  
Vice President of Land
