General Comment:**COGCC Inspection Report Summary**

On Thursday 2/27/20 at approximately 11:00 hours, I, Inspector Corey De Paolo, conducted an on-site inspection at LARAMIE ENERGY LLC NVega /1B Pad, Location #334450 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Unused 2" pipe next to meter run. See photo #0656 with a corrective action date of 3/13/20.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
