General Comment:**COGCC Inspection Report Summary**

On Friday 2/21/20 at approximately 10:30 hours, I, Inspector Corey De Paolo, conducted an on-site inspection at LARAMIE ENERGY LLC BCU /8C Pad, Location #312671 in Mesa County Colorado.

While there, I observed normal production operations.

During this inspection the following possible compliance issues were observed: Unused pallet and adjustable choke by separator. See photo #0621 and #0622 with a corrective action date of 3/7/20.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.
This is a summary of inspection report.
