Comment:

Operator appears to have initiated final reclamation activities and may also be prepping for remediation activities. Refer to the attached inspection photos.

Operator shall comply with Rule 1004 until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004.

One (1) meter shed remains at the location.

Corrective Action:

Comply with the reclamation rules to remove (regardless of ownership) all debris, abandoned gathering line risers, and flowline risers, and equipment within three months of plugging (8/19/2019) the associated facility. All work should have been conducted by 11/19/2019.

Corrective action date is being backdated to when all equipment associated with oil and gas operations should have been removed.

Date **11/19/2019**
