Comments:

This location has been monitored for three years by Ecopoint, Inc (environmental consultants). We believe this reclamation area meets the requirements stated for the operator to be released from financial bonding. We have documented why we feel this location meets this reclamation standard set forth in the 1000 series rules in the sundry supplemental attachment included in this form, and request an inspection during the next growing season.

Any contacts to be made with the operator should be made with Doug Dennison. Request for additional data/resources on reclamation success should be made to the submitter, Wesley Collins.
