

ASSIGNMENT, CONVEYANCE, AND BILL OF SALE

This Assignment, Conveyance, and Bill of Sale ("**Assignment**"), dated effective as of 12:01 a.m., Central Time on June 1, 2019 ("**Effective Date**"), is between ConocoPhillips Company, a Delaware corporation, and Burlington Resources Oil & Gas Company LP, a Delaware limited partnership, whose address is 925 N. Eldridge Parkway, Houston, Texas 77079 (collectively, "**ConocoPhillips**"), Crestone Peak Resources Watkins Holdings LLC, a Delaware limited liability company, whose address is 1801 California Street, Suite 2500, Denver, Colorado 80202 ("**Assignee**"), and Crestone Peak Resources Midstream LLC, a Delaware limited liability company ("**Crestone Midstream**"), and Crestone Peak Resources Holdings LLC, a Delaware limited liability company ("**Crestone Peak**", and together with Crestone Midstream, "**Buyer**").

1. **Assignment.** ConocoPhillips, for and in consideration of the Property and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, does hereby GRANT, DEED, ASSIGN, TRANSFER, AND CONVEY to Assignee, subject to the terms and conditions in this Assignment and the Purchase Agreement, all of ConocoPhillips' right, title and interest in and to the Property, but reserving unto ConocoPhillips the ORRIs described in Section 2 (Overriding Royalty Reservation), TO HAVE AND TO HOLD, unto Assignee and to its successors and assigns, forever.
2. **Overriding Royalty Reservation.** ConocoPhillips hereby reserves an overriding royalty interest equal to 3.255% of all Hydrocarbons that may be produced and saved from each ORRI Lease (each interest, an "**ORRI**"), subject to the ORRI Cap. Each ORRI is proportionately reduced based on ConocoPhillips' working interest in and to the corresponding ORRI Lease as of March 2, 2020, as applicable. Notwithstanding anything to the contrary in this Assignment, the ORRI shall not burden or apply to, and no ORRI Payment shall be payable in respect of, any Hydrocarbons produced from or allocable to an Excluded Well.
 - (a) **Calculation of ORRI Value.** The value of each ORRI will be calculated based on the Gross Proceeds attributable to the Hydrocarbons produced and saved from the corresponding ORRI Lease during the applicable production month *less* all production, severance, ad valorem, and other similar Taxes, attributable to the ORRIs or the production of Hydrocarbons accruing therefrom.
 - (b) **ORRI Payments.** Assignee shall pay, or cause to be paid, each ORRI Payment to ConocoPhillips within 90 days after the first sales of Hydrocarbons produced from the corresponding ORRI Lease, and thereafter, no more than 60 days after the end of each production month. All late ORRI Payments will bear interest on an annualized basis at a rate equal to 2.5 times the primary credit rate at the federal reserve bank of Kansas City that existed on the first day of the calendar year in which an ORRI Payment is due (or the maximum amount permitted by applicable Law, if lesser). Assignee shall deliver, or cause to be delivered, all ORRI Payments to the following address:

ConocoPhillips Company
22295 Network Place
Chicago, IL 60673-1222

(c) **ORRI Statements.**

- i. **Delivery.** Concurrently with each ORRI Payment, Assignee shall deliver, or cause to be delivered, an ORRI Statement, in a form substantially similar to Exhibit C (Form of ORRI Statement), to ConocoPhillips at each of the following addresses:

By U.S. Mail:

ConocoPhillips Company
Attn: Clay Cowling
Land Supervisor, Central Rockies
925 N. Eldridge Pkwy
Houston, Texas 77079

By Email:

ConocoPhillips Company
Attn: clay.cowling@cop.com
and
GPBUNiobraraLand@cop.com

- ii. **Payoff Amount Calculation.** Assignee shall calculate the Payoff Amount by using the following formula determined as of the applicable Statement Date:

“Payoff Amount” =

the difference of

(a) the ORRI Cap

minus

(b) the net present value of all ORRI Payments,
discounted from the Closing Date on the basis of
an annual 10% discount rate.

- iii. **Resolution of Disputed Matters.** The Parties shall negotiate in good faith to agree on any Disputed Matters. If the Parties agree on any Disputed Matter, Assignee shall adjust such ORRI Payment accordingly and issue an updated ORRI Statement to ConocoPhillips. If, within 60 days after Assignee receives notice of the Disputed Matter, the Parties are unable to agree on any Disputed Matter, either Party may submit that Disputed Matter to the Accounting Professional for resolution. Within 20 Business Days after receiving the Parties' respective submissions (with each submission to include the applicable ORRI Statement(s), the notice identifying the Disputed Matter, this document, and all supporting documentation reasonably relied upon by that Party to support its calculation), the Parties shall

instruct the Accounting Professional to render a decision choosing either ConocoPhillips' position or Assignee's position with respect to each Disputed Matter, based on the materials described above. The Accounting Professional's determination as to any Disputed Matter will be final, conclusive, and binding on the Parties and will be enforceable against any Party in any court of competent jurisdiction. No later than ten Business Days after the Parties receive the Accounting Professional's determination, Assignee shall issue an updated ORRI Statement reflecting the Accounting Professional's determination and the ORRI Payment shall be adjusted accordingly.

- iv. **Overpayments.** In the event Assignee reasonably determines that Assignee has paid ConocoPhillips more than the amount due to ConocoPhillips pursuant to this Section 2(c) with respect to an ORRI, Assignee shall send ConocoPhillips written notice thereof and, absent fraud or manifest error, shall have the right to reduce or offset the ORRI Payment due to ConocoPhillips by that overpayment amount for any subsequent production month(s); *provided, however*, in the event an overpayment results in Assignee making aggregate ORRI Payments to ConocoPhillips in excess of the ORRI Cap, then ConocoPhillips shall be obligated to promptly return that overpayment to Assignee.
- (d) **Term.** Notwithstanding anything herein to the contrary, the ORRIs, and the terms and conditions of this Section 2 (other than Section 2(c)(iii) (Resolution of Disputed Matters) and Section 2(c)(iv) (Overpayments), which will remain in effect), will remain in force and effect until the earlier date upon which (i) ConocoPhillips receives aggregate ORRI Payments in an amount equal to the ORRI Cap, as calculated in the applicable ORRI Statement, and (ii) Assignee pays the Payoff Amount to ConocoPhillips, as calculated in the applicable ORRI Statement. For clarity, if Assignee (or its successors or assigns) acquires any portion of an ORRI, all actual revenues that are received by Assignee with respect to the acquired ORRI shall be counted as an ORRI Payment for purposes of determining the Payoff Amount and whether the ORRI Cap has been achieved.
- (e) **Books and Records; Audits.** During the term as provided in Section 2(d) (Term), Assignee shall maintain accurate books and records sufficient to determine the ORRI Payments due to ConocoPhillips and to account for all Gross Proceeds and Taxes taken into account for the calculations contained in each ORRI Statement. ConocoPhillips may audit Assignee's books and records (and any supporting documentation) at any time during Assignee's normal business hours, upon reasonable notice to Assignee, and may copy such books and records subject to keeping such information confidential; *provided, however*, ConocoPhillips may not audit Assignee's books and records more frequently than once a calendar year.

- (f) **Amendments, Extensions, Renewals, and New Leases.** The ORRI applies to all amendments, extensions, and renewals of any ORRI Lease and to any new leases covering any lands described in Exhibit B (ORRI Sections) and that are taken by or on behalf of, or are assigned to, Assignee or its affiliates within 18 months after the release, expiration, surrender, or termination of any ORRI Lease.
- (g) **Mineral Acquisitions.** If Assignee acquires all or any portion of the mineral estate underlying an ORRI Lease and the ORRI Lease is released, terminated, surrendered, or the leasehold estate covered by that ORRI Lease is deemed to have merged with the mineral estate by operation of law, Assignee shall convey to ConocoPhillips, within 30 days thereafter, and effective as of, the date of that release, termination, surrender, or merger, a non-participating royalty interest equal to 3.255% (proportionately reduced based on ConocoPhillips' working interest in and to the mineral estate previously covered by such ORRI Lease immediately prior to the Closing Date) of all Hydrocarbons that may be produced and saved from such mineral estate, in the form attached as Exhibit D (Form of NPRI Assignment), with those interests together with the ORRIs not to exceed the ORRI Cap.
- (h) **Standard.** Assignee or its Affiliates shall operate the ORRI Leases exercising the same or a similar degree of skill, diligence, prudence, and foresight which would reasonably and ordinarily be expected from a skilled and experienced operator engaged in the operation of leases substantially similar to the ORRI Leases under the same or similar circumstances and conditions.
- (i) **Early Payment.** At any time while the ORRIs are in effect, Assignee may pay to ConocoPhillips the then current Payoff Amount and upon that payment, the ORRIs will expire as provided in Section 2(d) (Term).
- (j) **Right of First Refusal.**
- i. If ConocoPhillips desires to Transfer all or any portion of ConocoPhillips' interest in and to an ORRI, ConocoPhillips shall deliver to Assignee a ROFR Notice stating (a) ConocoPhillips' desire to effect such Transfer, (b) the Offered Interest, and (c) the terms and conditions on which ConocoPhillips proposes to Transfer the Offered Interest. Assignee will have the right but not the obligation to elect to acquire the Offered Interest on the terms and conditions set forth in the ROFR Notice. The ROFR Notice shall constitute an Offer. Assignee may accept the Offer by giving written notice of its desire to acquire the Offered Interest to ConocoPhillips within the Election Period. The failure by Assignee to so notify ConocoPhillips within the Election Period shall be deemed an election by Assignee not to accept such Offer (but shall not affect Assignee's rights with respect to any future Transfer of any such Offered Interest).

- ii. If Assignee accepts an Offer, then ConocoPhillips and Assignee will cooperate to consummate the Transfer of the applicable Offered Interest to Assignee as promptly as practicable following such acceptance.
- iii. If Assignee does not accept an Offer, then ConocoPhillips may Transfer all or part of the Offered Interest at any time within one year following the applicable Election Period. Any such Transfer shall be at a price not less than the price set forth in the ROFR Notice for the applicable Offered Interest and on such other terms and conditions not more favorable in any material respects to the acquiring party than those specified in the ROFR Notice. If the Transferor does not consummate such Transfer within such one year period, any Transfer of the Offered Interest shall again become subject to the rights set forth in this Section 2(j) (Right of First Refusal).
- iv. For the sake of clarity, ConocoPhillips' obligations set forth in this Section 2(j) (Right of First Refusal) shall apply to ConocoPhillips' Affiliates or any of their successors or assigns with respect to the ORRI (or any portion thereof).

(k) **Operations.** Subject to Section 2(h) (Standard):

- i. **Exclusive Control.** As between ConocoPhillips and Assignee, Assignee and its Affiliates will be deemed to have exclusive control and management over any and all operations conducted on or in connection with any ORRI Lease and may take any and all actions that a reasonably prudent operator would deem necessary to manage, operate, and control the operations thereof, including, without limitation, the plugging and abandonment of any Hydrocarbon wells located on the ORRI Leases or acreage pooled with the ORRI Leases.
- ii. **No Obligations.** Assignee, and its successors and assigns, shall have no express or implied obligation to (a) conduct any drilling operations on the ORRI Leases or any part thereof; (b) maintain the ORRI Leases in effect (by payment of rentals, drilling operations, or otherwise); or (c) produce Hydrocarbons therefrom. Notwithstanding anything set forth herein to the contrary, ConocoPhillips agrees that (i) any implied warranty or covenant to develop or to protect against drainage provided for under statute or applicable law are hereby disclaimed, waived and released and (ii) Assignee shall not be restricted by this Assignment, the ORRI, or any other agreements related thereto from owning and operating the Properties in the normal course of business.
- iii. **Right to Pool or Unitize.** Assignee, and its successors and assigns, shall have the right, without ConocoPhillips' approval or joinder, to

(a) enter into any agreement or contract necessary in order to operate or control the ORRI Leases and (b) pool or unitize the ORRI Leases and the lands associated therewith in order to form one or more pooled units, to the extent permitted under the ORRI Leases. If such pooling or unitization occurs, ConocoPhillips shall receive the ORRI subject to the applicable pooling order and/or unit agreement and the ORRI shall be proportionately reduced by an amount equal to the *quotient of* (i) the number of acres of land covered by the applicable ORRI Lease within that unit *divided by* (ii) the total number of acres in that unit.

iv. **Limitations on ORRIs.** For the avoidance of doubt, the ORRIs are subject to (i) the terms and conditions set forth in the ORRI Leases and (ii) all applicable Laws.

(l) **No Tax Partnership.** None of the Property, either currently or in the past (only to the extent of ConocoPhillips' ownership period), or ORRI are subject to any tax partnership agreement or are otherwise treated as held in an arrangement requiring a partnership income Tax Return to be filed under Subchapter K of Chapter 1 of Subtitle A of the Code.

3. **Special Warranty.** Except as expressly, and subject to the limitation, set forth in the Purchase Agreement and the other documents delivered pursuant thereto, this Assignment is made without any title warranty or covenant against encumbrances (whether express, statutory, or implied), except for the Special Warranty.

4. **Assumed Obligations and Retained Obligations.** Assignee hereby assumes and Buyer agrees to timely and fully pay, perform, and otherwise discharge, the Assumed Obligations, under the terms of, and subject to the conditions in, the Purchase Agreement. ConocoPhillips hereby retains and agrees to timely and fully pay, perform, and otherwise discharge, the Retained Obligations, under the terms of, and subject to the conditions in, the Purchase Agreement.

5. **DISCLAIMERS.**

(a) **DISCLAIMER OF WARRANTY AS TO SURFACE RIGHTS.** Except for the Special Warranty in Section 3 (Special Warranty), the representations and warranties in Article 2 (Representations and Warranties) of the Purchase Agreement, the indemnities set forth in Article 10 (Indemnities and Releases) of the Purchase Agreement, or the certificate provided by ConocoPhillips pursuant to Section 6.5.13 (Closing Certificates) of the Purchase Agreement, ConocoPhillips disclaims, and Assignee waives any Claim with respect to, all warranties and representations (whether express, statutory, or implied) that:
