General Comment:

On 3/6/2020, Reclamation Specialist Trujillo conducted a final reclamation and stormwater inspection at Windsor Energy Group LLC's University of Texas #24 location in Rio Blanco County, Colorado.

This inspection is to document compliance for the following corrective actions from Inspection #680101534:
1004.a: Conduct final reclamation

It was documented that reclamation activities do not appear to have been conducted in accordance with Rule 1004.a, or corrective actions

The following alleged compliance issues were observed during this inspection: Access road not recontoured/regraded; erosion degradation observed at access road; Trash debris observed throughout Location

Refer to the "Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

Comment:

Inspection #680101534 documented that the Location does not meet reclamation requirements; Site nor access road has not been reclaimed. Inspection required Operator to perform the following corrective actions: Perform Final Reclamation per COGCC 1004 Rules; Reclamation Activities to be complete by June 1, 2017.

It was observed in this inspection that final reclamation activities do not appear to have been conducted in accordance with Rule 1004.a and corrective actions; Access road/Location has not been reclaimed; Erosion degradation observed on access road; Debris observed throughout Location. Original corrective action has not been addressed, therefore the original corrective action and date remains applicable.

Corrective Action: **Perform Final Reclamation per COGCC 1004 Rules; Reclamation Activities to be complete by June 1, 2017.**

Date **06/01/2017**

Overall Final Reclamation **Fail**
