General Comment:

This is a reclamation inspection of the Powerglide 34-4 well site which was abandoned on 12/1/2005.
The location is not in compliance with the Final Reclamation requirements.
Final Reclamation was not completed within 12 months of abandonment.
See attached photos and additional details within this report.

Operator is directed to perform corrective actions outlined on this inspection report immediately. This inspection is being entered for notification and documentation only and is not intended to provide the Operator the opportunity to resolve the alleged violations without the imposition of a penalty, pursuant to Rule 522.c.(1). Perform corrective actions immediately to avoid enforcement and potential penalties.
