Comments 

The purpose of this registration is to add the fuel gas line for the Aloha Mula 2 which is out of service but will not be abandoned until the well is abandoned. After the registration is approved, WFE will update the filing to reflect that the line is out of service. In this registration the company is also adding the fuel gas line at the Aloha Mula 4 which is out of service and will be abandoned. All construction dates are estimated. Both lines were referenced in the initial registration.
