Subject: State Reportable Release

Good morning,

We had a state reportable release yesterday afternoon at the location noted below due to historical soil impacts discovered at the wellhead during P&A activities. Excavation activities are ongoing at this time, and a Form 19 Release Report is forthcoming.

Please let know me if you have any questions.

Associated Well Names: Champlin 42-10 #4
Location: SENE Sec10 1N-68W
API Number – 05-123-08823

Thank you,
