General Comment:

On 4/6/2020, Reclamation Specialist Trujillo conducted a final reclamation and stormwater inspection at Marathon Oil Company's abandoned wells on Caerus Piceance LLC's 596-35D-65S96W35SESE location in Garfield County, Colorado.

Ownership of the Location transferred from Marathon to Caerus in 2017; PA and AL wells were plugged and/or abandoned by Marathon prior to transfers, therefore Marathon remains Operator on record for the subject wells.

It was observed in this inspection that only three (3) active wells remain on this Location, and are operated by Caerus. Remaining wells registered under this Location have not been drilled, or have been plugged.
