Steve,

I apologize for the delay in replying to this email and our conversation on these flowlines. We have made all necessary notifications to LGDs and Landowners. Please see the right two column answers to questions as well as an updated proposed date of abandonment. Please let me know if you have any questions.

Well Name	Flowline Facility ID	Abandonment Notice	Date Submitted	Planned Date of Abandonment	Comments 3/23/2020	Ne: Pr: Da: Ab:
Anderson 32-8	466031 (attached surface owner agreement covers 1105.d.(2).A)	402289543	1/22/2020	2/24/2020	LGD and Landowner Notified on 3/3/2020.	3/3
Artistrocrat Angus 32-4	469103 (covers 1105.d.(2).C, but will the comingled line be cut off and plugged at a tee/manifold?)	402291142	1/21/2020	2/24/2020	LGD and Landowner Notified on 3/3/2020. Yes, the section between the active (commingled) flowline will be removed and a plug will be placed at the tee.	3/3
Grant Bros 31-26	466041 (why partial removal, is there surface occupancy issues with the elementary school per 1105.d.(2).E)	402291212	1/22/2020	2/24/2020	Flowline will be completely removed per surface owner request. Please see attached flowline layout drawing. LGD Noticed: 3/23/2020 – Per discussion and agreement to remove/abandon with both landowners, they will be updated as well pending approval and ability to move forward.	4/7
Grant Bros 42-26	466042 (same comments as 466041)	402291212	1/22/2020	2/24/2020	Flowline section crossing the school district property will be abandoned in place per agreement with School District Assistant Superintendent of Operations. (Please see attached email with confirmation of abandonment in place) LGD Noticed: 3/23/2020 – Per discussion and agreement to	4/7

					remove/abandon with both landowners, they will be updated as well pending approval and ability to move forward.	
Kugel 42-18	470982 (is this removal or abandonment in place, and if so what is the justification?)	402295644	1/27/2020	2/27/2020	LGD and Landowner Notified on 3/3/2020. This flowline was requested to be removed by the Town of Firestone, part of the flowline was previously removed, the last section was on hold, as a sound wall prevented removal of the final section. The final section will be removed.	3/2 Soi pre imp ren bet ren wo pic ren
