General Comment:

On 4/6/2020, Reclamation Specialist Trujillo conducted an interim reclamation at Berry Petroleum's Chevron O06 696 location in Garfield County, Colorado.

It was documented that land farming activities are ongoing on the Location. See Remediation Project #10050 for additional details. No issues observed over the interim areas.

The following alleged compliance issues were observed during this inspection:
603.f: Storage of unused supplies/equipment

Refer to the "Location" and "Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules

Interim areas appear to be progressing towards reclamation requirements. Areas of the pad that do not appear to be needed for production activities are currently being utilized for land farming activities. See Remediation Project #10050 for additional details. Upon closure of the remediation project, these areas will require interim reclamation in accordance with 1003 rules.
