Operator Comments:

This Form 5 is being submitted in response to a July 26, 2018 data request for a new Drilling Completion Report for wells that have not had one filed since 1999.

This well was originally completed as the Davis Drilling Company Inc. Elliott #1-12 gas well on August 1, 1965.

The well was plugged and abandoned on August 27, 1974.

The "Date Casing Set" and "Date Rig Released" were estimated as the data from the original operator was not available.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
