Comment:

This location does not comply with Rule 1004. Reclamation rules require all equipment to be removed within three months of plugging. Well was plugged 11/17/2018. Refer to the attached photos.

Operator has performed final reclamation activities throughout all other areas, with the evidence of drill rows, straw crimped mulch, and germination. Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004.

Note: Culverts have been left in-place and may need to be removed.

Corrective Action:

Comply with Rule 1004 to remove all equipment and ensure any additional disturbance will be reclaimed.

Date **02/17/2019**

Corrective action date is being backdated to when all equipment should have been removed.
