Comment:

Operator has performed final reclamation activities at the associated offsite tank battery with the evidence of desirable plant species establishment.

The well location and reference crop areas appear to be fallow. A follow up inspection will be conducting to document vegetative growth during an active growing season.

Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004.
