RE: Kinder Morgan CO2 Company, L.P.  
Rule 523.e. Voluntary Self Disclosure – Sixteenth Quarterly Report

Dear Mr. Deranleau:

Kinder Morgan CO2 Company, L.P. (“Kinder Morgan”) (Operator No. 46685) hereby provides the Colorado Oil and Gas Conservation Commission (“COGCC” or “Commission”) with this sixteenth quarterly status report to its Rule 523.e. voluntary self-disclosure made on February 17, 2016. This sixteenth quarterly status report follows fifteen prior quarterly status reports from June 30, 2016 to December 18, 2019 and summarizes the closure status of certain drilling pits located in Montezuma and Dolores Counties, Colorado, subject to pending future variance requests. The attached table labeled “Exhibit A – March 2020 Status Table” provides a summary of the status of the subject pits as of this sixteenth quarterly status report.

As stated in our December 2019 quarterly report, the fee surface owners of the seven (7) pit locations closed post-2009 that are subject to pending variance requests have executed Notices of Environmental Use Restrictions with the Hazardous Materials and Waste Management Division of the CDPHE pursuant to C.R.S. § 25-15-321.5 (“Restrictive Notices”), as summarized on Exhibit A. As of the date of this quarterly report, the CDPHE has executed and recorded the seven (7) Restrictive Notices. Kinder Morgan will shortly submit finalized variance requests to Rule 905.b.(3)A for each of the subject pits and understands that the pits will be closed upon variance approval by the COGCC and remediation to the current Table 910-1 where required. We appreciate your review of Kinder Morgan’s initial draft variance request for the GP-12 location and will be incorporating your feedback in the formal variance requests to be submitted shortly.

Kinder Morgan looks forward to working with you and COGCC Staff to bring these sites to final closure. We would like to reiterate our appreciation for your time and efforts on this matter. As Kinder Morgan works with you and COGCC Staff with respect to the revised variance requests, Kinder Morgan will submit its seventeenth quarterly report, if necessary, on or before June 30, 2020, and will supplement this report with additional information if needed. If at any time you or the COGCC Staff has questions or would like additional detail on any item, please note that

Mr. Havens has retired from Kinder Morgan and I will be your new point of contact. You may reach me at 713-369-8087 or [casey\\_zweig@kindermorgan.com](mailto:casey_zweig@kindermorgan.com).

Sincerely,

Stephen Casey Zweig  
Director of Operations and Engineering
